## Gardena Edged Out by Torrance

Torrance High school played their first Marine league baseball game Tuesday at the Torrance city park. Under the coaching of Coach Katz the Tartars nine beat a varsity Gardena team by a close score of 4 to 3. The Tartars, bringing the spectators to their feet many times, clinched the ball game in the last inning with the count tied up to 3 all. In their half of the inning Torrance filled the bases and won the game. Dodos started it off when he was hit by the pitcher. Jackson singled. Hoke beat out a bunt and Bennett walked and ultimately scored Dodos from third.

Gardena scored a run in the second inning when Torrance made two errors. The second score stood at 2-1 in favor of Torrance. The Tartars then scored a run in the fourth on a walk and two errors. The Mohicans tied the ball game up when they scored two runs on a walk, an error and a single.

Gerald Jackson was the hitter of the game, getting two out of the six hits Torrance got. The next game will be with Narbonne on May 11 on the Gaucho field. Torrance will then play Banning Tuesday, May 16, at the Torrance park.

## Lineups for Today's Game

The game with Narbonne today is predicted to be one of the best games of the season. Both teams have won their league openers, but the Gauchos are slightly favored over the Tartars. Coach Katz has chosen for his pitcher Paul Hoke, who recently pitched a two-hitter against Gardena.

**Probable Lineups**  
Torrance—Tappin, cf; Dodos, 2b; Jackson, ss; Hoke, p; Bennett, c; Intermill rf; Morrison lb; Smith, lf; Stanley, 3b.  
Narbonne—Mueller, c; Palica, p; Merrill, 1b; Strohm, 2b; Hobbs, ss; E. Roberts, 3b; Imel, lf; Cottle, cf; T. Roberts, rf.  
Coach Katz is depending on his keystone combination, Pete Dodos and Gerald Jackson, for their usual hits, and Art Tappin, strong-armed centerfielder, to come through with his usual good fielding and hitting.

**OBSELETE TRUCKS**  
The Office of Defense Transportation is keeping a watchful eye on the Army's plans for disposing of obsolete and worn-out trucks into civilian fleets, according to word received by the Automobile Club of Southern California. Unserviceable trucks will be sold by the Army's salvage division, the report disclosed.

## Marine League Finals Issue Tomorrow

By PAUL PIERSON

Featuring the traditional cross-town rivals, Torrance and Narbonne, the Marine League finals will be held tomorrow on the Gauchos' field. Although all the teams in the league are closely matched, with almost every meet being decided by a very slim margin, the undefeated Tartars should take the spotlight with the Gauchos having a good chance to edge them out. However, the other teams in the league, San Pedro, Banning and Gardena, are all bunched together close behind. The Tartars have looked impressive in all of their meets thus far, with Narbonne coming the nearest to edging them out when Torrance won by the slim margin of 8 points.

Bob Leech, the Tartars' most outstanding man, should battle it out in the century with Buddy Hayes of Pedro, while Leech and Storey, also of Pedro, are expected to run a close race in the 220. Lloyd Warthan of Torrance is favored to take the 440, with Dahlgren of Gardena and McDaniel of Narbonne fighting it out for second, while the Tartars' Marvin Kent should win the half mile, with Maier of San Pedro placing second.

**Ackerman Favored**  
Ackerman of Narbonne is favored in the mile, with Henderson of Torrance placing second. The Gauchos' Paul Biller is considered a cinch to sweep both hurdles and the pole vault, while Leech and Frontes of Banning will fight it out for the shot put. Holbrook of Narbonne has been the outstanding high jumper in the league, with Maier of San Pedro the choice of most in the broad jump. The relay is anybody's race, with Torrance, Narbonne and San Pedro sharing the spotlight.

Predictions place the teams finishing with Torrance first, Narbonne second, San Pedro third, Banning fourth and Gardena fifth.

## Tarbabe Nine Take Huntington Park by 8 to 7

With the way paved by Huntington Park's errors and 16 walks from the opposing pitcher, the Tartar junior varsity baseball team won a six-inning practice game Monday. Through the entire game only one Tartar, Doug Bodner, got a safe hit. The T.H.S. battery consisted of Waters, who struck out six men, and Delsigne as catcher. The other infielders were Ed Page, first base; Jack Turner, taking the place of absentee Bill Johnson at second base; Kenny Shaw, third base, and Merwin Jarratt, shortstop. The outfield consisted of Doug Bodner, Frank Dominguez and Jim Standifer. These players have improved steadily from the first and should come out with a good average.

This game gave them three wins out of four tries, the team having been defeated by Washington High school by one run.

## Interest Gains In Alley League

Another week has passed and if it isn't one team that gets hot, it's another. All the fireworks were centered around alleys 3 and 4, where Schwartz Clothiers tangled with Dean's Service. The Clothiers, with games of 935 and 932, took the first two, while the Gardena boys had 855 to win the third game by one pin. Ed was high man for the night with 184-224-231-639. But not far behind, for the losers, was Baker, who rolled 163-210-255-628.

Each night has found a different man bowling a big 250 game and that is good bowling in any league.

Over on 1 and 2 the Army Hospital boys finally got going and toppled the Felker five from first place. Alexander, Reark and Blanchard each averaging over 170, was all that was needed to take two out of three. Bergen was top pinsetter for the losers, being very consistent with 182-182-187-551.

The Doak Aircrafters, somewhat cooled off after last week's heat wave of strikes, dropped two to Joe's Oilers. The Oilers made a very good bid for season high game but fell short some 20 pins. Here was also some very consistent bowling, with Bob Sommers and Ole Olson both hitting over 540. Bob had high game of 225 with Olson close behind with 222. This was one of those father vs. son affairs, with Larry Sommers Sr. bowling for Doak and his two sons, Bob and Lefty, pitching against him.

Rolling roughshod over the winter league champs, Acme Beer, Steak House slid into undisputed first place by virtue of a 3-to-0 verdict. Led by Carlsson's 189-185-181-555, the Cafe boys had an easy time of it. Rowe was high for the losers with 518.

Incidentally the Acme boys were presented with a trophy just before the league got under way and the fact that they lost three may produce a new champion team.

Next week will find the league leading Steak House taking on Doak, Acme vs. Joe's Oilers, Felker vs. Schwartz Clothiers and Army gunning for Dean's Service.
